Approximately eighty members attended the mid-year business meeting at the Marine's Memorial Club in San Francisco. Mid-year Committee reports were presented detailing the status of 1987/88 projects and publications. In the eight years that NOCALL has been a Chapter of AALL, significant accomplishments have been achieved in professional education and legal information services for the law libraries and legal community of Northern California. Our Committees deserve the credit for making NOCALL an active, respected and progressive professional association. Thanks to all the Committee Chairs and Committee members who have devoted time to NOCALL projects this year!

I look forward to seeing you at the annual Institute in Sacramento!

The 1987/88 Executive Board met on February 11, 1988 at Golden Gate University in San Francisco. Sharon French, Shirley David, Arturo Flores, David Bridgman and Janice Kelly were in attendance.

** Since the Grants Committee finds itself with more money left than anticipated, one $700 grant for an AALL summer institute will be added.

** The Consulting Committee's 1987/88 budget has increased from $175 to $300 to ensure that they can respond to requests from firms located outside the immediate Bay Area.

** Todd Bennett and Brent Bernau reported that a firm librarian had issued unauthorized updates to the NOCALL UNION LIST. These updates, if filed according to the accompanying instructions, would cause subscribers to lose two pages of information. Sharon French will contact the librarian and ask him to inform subscribers of the problem.

** The annual Business meeting will be held at Stanford on Friday, May 13, at 4:00 P.M. San Jose library school students will be invited to attend by the Membership Committee.

** Shirley David reported on plans for the March 26 NOCALL Institute at the Hotel El Rancho in Sacramento. The program, "Anatomy of a Civil Trial," will include a mock trial and jury of our peers.

Respectfully submitted,

Janice Kelly
NOCALL Secretary, 1987/88
January 29, 1988
Marines Memorial Club, San Francisco

Sharon French, NOCALL President, called the meeting to order at 1:00 P.M. and welcomed Albert Brecht, President of AALL.

The minutes of the September 1987 Business meeting were approved as printed in the NOCALL Newsletter.

Copies of the Treasurer's second quarter report were available and Sharon noted that according to Arturo Flores' latest figures the balance is $5,200.

NOCALL has been granted Federal Tax Exempt status. Sharon thanked Bob Livsey, an attorney at Brobeck, Phleger & Harrison, and Alice McKenzie, the librarian at that firm, for their assistance in filing the appropriate forms. Also, NOCALL is incorporated as a non-profit corporation in California. These two steps were recommended in the Price-Waterhouse study. The study suggested that chapters acquire insurance. We are still looking into that question.

Shirley David, Vice-President/President-Elect, gave us an update on the NOCALL Institute. It is "Anatomy of a Civil Trial" and will be held on March 26, 1988 at the Hotel El Rancho, Sacramento. Shirley and her committee have recruited an impressive panel of speakers who will provide a practical guide on how a case proceeds through court. Registration forms will be sent out the second week in February.

The committee chairs delivered mid-year reports on their activities. These will be published in the NOCALL Newsletter.
Al Brecht spoke to us about new developments in AALL. Martha Brown has been hired as the Professional Development Officer and will assume her new duties in late February.

AALL legal counsel is reviewing the Price-Waterhouse report on chapter tax status and related issues of insurance coverage and organizational structure. The report will be discussed at the March AALL Board meeting.

The AALL Board has voted to fund a national salary survey, as requested by the Private Law Librarians special interest section. It will be conducted by a private company in the next 6 to 8 months.

The Organizational Structure Committee is expected to have a draft copy of their report available before the Atlanta convention.

The AALL job hot-line is up and running (312) 939-7877.

The Librarian of Congress, Dr. Billington, invited AALL to have a consultant review LC's dissemination of legal information and other matters. The Board has voted to fund a consultant who will work with LC to determine the needs of the profession and how LC can help meet these. The National Legal Resources Committee has been instrumental in paving the way for this offer. Tom Reynolds and Alice McKenzie are both members of the committee.

Jo Caporaso asked Al about the date of the annual convention. Al didn't have exact information, but said the date will be moved to mid to late July to accommodate law firm librarians as well as the law schools.

Shirley David mentioned that there were two articles in the San Francisco Banner about law libraries in the Bay Area. They were authored by
Anne Dorfman and appeared on 12/21 and 12/22/87. A number of NOCALL members were quoted in the article.

The meeting adjourned at approximately 2:30 P.M.

Respectfully submitted,

Janice Kelly
NOCALL Secretary, 1987/88

LEXIS Adds Sequential Browsing for Statutes

Mead Data Central's Lexis service features a new browsing feature that allows users to combine the power of full-text searching with the ability to browse through consecutive sections of state statutes. Searchers can now move with ease from the statute section being viewed on screen to preceding or succeeding code sections, whether or not these sections are retrieved as part of the search.

There are no new commands to learn for the browse feature. Research in one section of the code "opens the door" to the entire code. The same function keys currently used to move to the next document or next page will take the user through the browse feature.

In addition to the introduction of sequential browsing, the Lexis service has also recently mounted a California statutes file consisting of Deering's California Codes Annotated and the Incorp service which provides information supplied by the Secretaries of State in Missouri and Illinois on active and inactive corporations registered there.

1988 GRANTS FOR AALL CONVENTION AND
AALL SUMMER INSTITUTE

The NOCALL Executive Board is making available two grants of $700 each to NOCALL members to attend the AALL Conference in Atlanta, and one grant of $700 to attend one of the AALL Institutes preceding the AALL Conference. The grant to attend an AALL Summer Institute is being offered in place of the grant to attend AALL's Mid-winter Institute, which was cancelled.

The NOCALL Grant Committee's guidelines for awarding the grant money are as follows:

1. Candidates must be members of NOCALL. Preference will be given to active members.

2. Grants will be made on the basis of:
   a. Financial need,
   b. Proven ability,
   c. Promise of future usefulness and permanence in the law library profession.

3. Only one award is to be given to any individual during one fiscal year. For each successive year, priority will be given to applicants who have not yet received a grant.

4. Recipients who are simultaneously awarded grants by both AALL and NOCALL for the annual conference or institute may not accept both grants.

Grant applications and recommendations must be received by April 15, 1988. In submitting your application, please follow instructions carefully. In fairness to others, incomplete or late applications will not be considered. The Grant Committee will notify applicants by April 29, 1988. The grant application form is printed in this issue of the newsletter.

ARCHIVES

Iris Wildman, NOCALL Archivist, is recovering nicely from her recent surgery. The file cabinet that houses archival materials has arrived at Stanford, and Iris will be organizing the materials upon her return.

ALA LIAISON

On January 12, 1988, the Bar Liaison Committee of the Association of Legal Administrators (ALA) hosted a meeting on "The Implementation of AB 3300 in San Francisco, Alameda and Contra Costa Counties" for local legal industry service groups. Sharon French and Shirley David attended on behalf of NOCALL. Each country provided representatives from the Clerk's office and procedures for civil trials were discussed and flow charted.

AUDIT & BUDGET

The Audit and Budget Committee for 1987/88 consists of Ruth Girill, chair, and Trish McCurdy. As we reported at the September 1987 Business meeting, the audit was completed and all records were found to be correct. Our remaining goals, which are preparing the 1988/89 budget, developing a budget format, and writing audit guidelines, will be completed prior to the spring 1988 Business meeting.

CONSULTING

The Consulting Committee has several consultations scheduled during the next few weeks. The Committee is pleased to report a recent increase in interest from firms and agencies located outside the immediate Bay Area. The Committee has been contacted by firms in Fresno and
Sacramento. This gives the Committee the opportunity to meet with and educate attorneys and administrative personnel about the value of law librarians and the services they provide, in locations which typically have few professional law firm librarians. The Committee is looking for additional members from those outlying areas to assist with consultations. If you are interested, please contact Nancy Lewis, Committee Chair.

The Committee is currently updating the list of Consultants and Library Services in Northern California. In addition, the need for guidelines and a policy statement is being addressed.

The Committee will work closely with the Public Relations Committee about how best to proceed with advertising the services offered by the Consulting Committee.

EDUCATION

The Committee planned and organized the Eight Annual NOCALL Workshops program which was held November 6th at the Hotel Meridien in San Francisco.

Four workshops were presented on:

1. The Immigration Reform and Control Act of 1986

2. Cataloging and the Catalog in the Law Firm Setting

3. Alternative Ways to Work: Options for Law Librarians

4. California Documents: Getting What You Need

The Committee is very grateful to the ten workshop speakers for sharing their time and expertise.
There were over 100 paid registrants for the workshops.

The Committee is investigating the possibility of obtaining a two and one-half hour videotape of last year's AALL Workshop on LC Classification for viewing at several Northern California locations in April. Members will be notified through the NOCALL Newsletter or by a separate mailing.

INDEXING RESOLUTIONS

David Bridgman reported that he and Jacob Koff have begun indexing NOCALL Executive Board resolutions found in Board meeting minutes. Resolutions will be indexed by subject and identified by a member derived from the year and order of adoption. They are also working to establish a definition of a resolution so resolutions can be easily identified in the minutes.

MUNICIPAL CODES

The Municipal Codes Committee had their initial meeting November 30 and established a schedule, a budget and improvements to the publication. On January 26th, 502 survey letters were sent out and the results will be tabulated by the Committee members in April. Our 2nd edition of California's Municipal and Country Charters, Codes and Ordinances: A Directory of Availability should be available by the end of May. The publication will cost members of NOCALL $10.00 and non-members $15.00.

Placement

The primary purpose of the Placement Committee is to maintain resume and job listing files for professionals and paraprofessionals.

151
As of January 28, 1988, the Committee had received 19 professional job listings and 8 paraprofessional listings. Last year at this time we had received 14 professional and 17 paraprofessional listings.

The number of job seekers using our services has increased this year. We have received 23 professional resumes and 14 paraprofessional resumes -- compared to 17 and 8 respectively last year.

The number of paraprofessional resumes on file is at an all time high, but service to the paraprofessional market remains the biggest challenge to the Committee. This is due in large part to there being no efficient way to publicize our services to the many who do not see the NOCALL newsletter. I therefore encourage everyone who comes across strong paraprofessional candidates in the course of hiring to recommend our services to them.

San Francisco is still the area best represented in our files. Hopefully this is changing. Our services have just been publicized in the Sacramento County Bar Association newsletter. Also, if the Public Relations Committee has a booth at the State Bar Convention, Placement will be represented.

PUBLIC ACCESS

The public access to legal information committee has completed two workshops so far this year.

Mary Staats and Terry Huwe conducted one for the San Francisco Biomedical Library Network on Oct. 29th. The network was interested in legal research in the health care field.

The second workshop was given by Randy Wilson and Rebecca Duncan on Nov. 21st at Foothill College as part of the Library Technical Assistant Program's
Saturday Seminar Series. The audience was about half LTA students and half practicing librarians from both the public and private sector.

Tentatively planned: The 49/99 library group has requested a workshop on March 14 at University of the Pacific. The audience will be primarily public librarians. Also in the discussion phase is another workshop sponsored by SouthNet for private librarians primarily from the electronics industry.
PUBLIC RELATIONS

Carolyn Billheimer reports that since the fall Business meeting, the Public Relations Committee has no new developments.

SALARY SURVEY

David Bridgman reported that the Salary Survey Committee has determined that salary information is very important to NOCALL members. They are discussing the issue of whether NOCALL should undertake a salary survey and will make a recommendation at the end of the year.

The committee has collected all types of available salary survey data on law libraries and David's office has become the clearinghouse for this information.

UNION LIST

Presently the Committee is conducting the sale of the NOCALL UNION LIST, 3d EDITION. Brent Bernau of Golden Gate University Law Library is handling the distribution and sale of the UNION LIST. A new price structure has been instituted this year. The UNION LIST is available to participating libraries for $40.00, to all other NOCALL members for $45.00 and to non-members for $50.00. Copies can be obtained in person or they will be mailed for an additional $5.00 postage and handling fee. Order forms were mailed out to all members at the beginning of the year and the form was also reproduced in the NOCALL NEWSLETTER for Nov./Dec. 1987.

During the coming months the Committee will be negotiating the contract with CLASS for the production of the NOCALL UNION LIST, 4th EDITION. Prior to participating libraries receiving their checklists from CLASS, the Committee would like to issue suggested guidelines to help libraries in updating their holdings. Our hope is that the
guidelines will help clarify the updating procedures, encourage consistent and complete holding statements and suggest ways to handle problems such as title changes. Providing we have time, the Committee would also like to explore a couple of other areas. One of these is recruiting new participants to the UNION LIST. Another project could be sending an evaluation form to the membership to solicit feedback on the UNION LIST.

ANNOUNCEMENT

Now that the NOCALL UNION LIST 3d edition is completed, the committee is looking toward the production of the fourth edition. All participating libraries should have received a letter from CLASS regarding updating their individual checklist of periodical holdings. Participating libraries will also be receiving additional updating instructions from the Union List Committee. If you are a participating library included in the third edition and have not received a letter from CLASS, please contact Todd Bennett at (415) 955-3669.

We would also like to encourage any libraries who are not in the UNION LIST to join in making our UNION LIST an even better publication. If you are interested in participating please call Todd Bennett at (415) 955-3669.

Some libraries may have been sent replacement pages for portions of the Union Lists which were not generated by the Union List Committee. Unfortunately the information was not entirely accurate. You will be receiving corrections soon.
