FROM THE PRESIDENT

I realize this is a standard reaction for outgoing presidents, but it certainly is hard to believe that a year has passed, and my term is over. There is much to learn during the first few months, and there are many unexpected challenges. The position has been rewarding, both professionally and personally, and I thank the membership for the opportunity.

I can’t thank enough the NOCALL Committee Chairs and Committee Members. Your hard work is the most important element to maintaining a well run organization, and I am extremely appreciative of your efforts. I know many members spent the year working on plans for the annual meeting, but I hope that once it’s over, and we’ve taken a respite, that you’ll continue supporting the chapter with your creativity and enthusiasm.

I received some good feedback from the "how are we doing" questionnaire in the last issue. (Hint: a copy is also included in this issue.) A common theme, no surprise in this economy, concerned the high price of the educational programs. We’re aware the price has been rising, and the incoming Executive Board will consider what venues might be more appropriate. Also worth considering is sponsoring more frequent though informal gatherings. This would require more support from the membership. When Judy Janes, incoming President, requests volunteers, please consider jumping in - projects such as Public Access, Pro Bono activities, etc. cannot happen unless more librarians become involved.

As Past President, I plan on working on the project I mentioned at the beginning of the year, a Chapter Handbook. (So many of you have been kind enough to remind me of that original proposal, it has to happen now!) Any volunteers?

She was calling on behalf of an attorney who was about to go into court. He absolutely had to have the document for his case.

**The request:** A proxy filed several weeks ago. She wasn’t sure of the date.

**The result:** I located and copied the document from our in-house microfiche and called her to confirm that it was the right one. She had the proxy she needed in less than an hour.

NEW EXECUTIVE BOARD ELECTED

Congratulations to the newly elected 1992-93 NOCALL officers:
PRESIDENT
Judy Janes, UC Davis Law Library

VICE-PRESIDENT/PRESIDENT-ELECT
Lauri Flynn, Bank of America Law Library

SECRETARY
Marci Hoffman, Boalt Express

TREASURER
Michael Jones, California Attorney General's Office

The new officers will be installed at the May 7, 1992 business meeting to be held at UC Davis. A reservation form for the meeting is found later in this bulletin.

HIGHLIGHTS OF THE JANUARY 23, 1992 EXECUTIVE BOARD MEETING

The NOCALL Executive Board met in San Francisco at the offices of Bancroft-Whitney. Present were: Nora Skrukrud, Barbara Friedrich, and Lee Ryan. Absent were: Katherine Henderson and Judy Janes. Nora called the meeting to order at approximately 10:05 a.m.

MEETING HIGHLIGHTS
1. TREASURER’S REPORT
The Board approved the Quarterly Report of the Treasurer for the Second Quarter (covering September 1, 1991 to November 30, 1991). NOCALL’s balance at the end of the Second Quarter was $22,887.11. The opening balance for the quarter was $20,817.32. During the quarter, NOCALL received income of $7,124.70 and incurred expenses of $5,054.91. The Treasurer noted that this report does not include receipts and invoices from the Fall Workshops held in November. These will be included in the report for the next quarter. It is expected that the Workshops will show a profit.

2. SPRING INSTITUTE UPDATE
Nora reported that Judy has requested that NOCALL authorize a reimbursed overnight stay for the member in charge of exhibits. The exhibit person has to arrive early to supervise the setting up of the exhibits, and Napa is far enough from most members’ homes that it is not practical for someone to drive up on Friday, return home on Friday night, and drive up again on Saturday. A MOTION WAS CARRIED to approve reimbursement from NOCALL for one night’s hotel stay for the person in charge of exhibits at the 1992 Spring Institute.

3. BY-LAWS AMENDMENTS
Chapter News

The Board discussed a proposed amendment to the by-laws relating to payment of membership dues. Nora reported that proposed chapter by-laws amendments need to be submitted to AALL at least two months in advance of their submission to the chapter membership. NOCALL will submit its proposed amendment to AALL with the goal of submitting the proposed amendment to the NOCALL membership for approval at the May 1992 business meeting.

In the course of this discussion it was discovered that the current NOCALL by-laws provide that new NOCALL by-laws be submitted to AALL after approval by the NOCALL membership. The Executive Board will ask the Constitution and By-laws Committee to draft a proposed amendment to bring NOCALL's by-laws into line with AALL's current practice.

The Board also discussed the need for an amendment to the current by-law requiring that a membership directory be prepared and distributed by October 1st of each year. The Board felt that the current deadline was no longer realistic, and will ask the Constitution and By-laws Committee to draft a proposed amendment.

The Board discussed briefly whether the by-laws should be amended to provide for two-year terms for the Treasurer. Barbara felt that so long as the books are in good shape and that there is good communication about procedures (through discussions between the outgoing and incoming treasurers or by means of a procedures manual), it is possible to become familiar with the Treasurer's duties quickly enough to make a one-year term worthwhile. The Board also expressed concern that if the term were longer it might become more difficult to find people willing to serve as Treasurer.

4. GRANTS

Nora reported that the newly-approved budget includes $1000 for grants for the 1992 AALL annual meeting, $190 for grants to the 1991 Fall Workshops, $200 for grants to the 1992 Spring Workshops, and $300 for the 1992 AALL Summer Institutes.

An inquiry from the chair of the Grants Committee concerning reimbursement for expenses incurred on committee business led the Board to examine the new index to board resolutions and decisions. It was found that previously-passed resolutions do not adequately address current NOCALL practice. The Board therefore took the following actions:

A RESOLUTION WAS PASSED by the Board to rescind all prior Board resolutions [1986-6 and 1986-13, dated 7/23/86] concerning reimbursement for mileage.

A RESOLUTION WAS PASSED by the Board to provide that members of the Executive Board, committee chairs, and committee members shall be reimbursed for mileage while on official NOCALL business at the current minimum set by the Internal Revenue Service. Reimbursement for committee members other than the chair for expenses other than mileage must be approved by the President.

A RESOLUTION WAS PASSED by the Board to rescind a prior Board resolution [1981-3, dated 5/29/81] that had provided that members of the Board would be
Chapter News

reimbursed for lodging and mileage related to attendance at the annual NOCALL business meeting.

5. DAILY JOURNAL NEWSLETTER
NOCALL has been given free space for a monthly column in the San Francisco Daily Journal. Nora has contributors lined up for future months, and additional volunteers are always welcome. Nora will also ask the Chair of the Public Relations Committee if she is willing to take on the task of rounding up contributors.

6. PUBLIC RELATIONS COMMITTEE
The Board discussed asking the Committee to investigate ordering small, inexpensive souvenirs with the NOCALL logo. These could then be given to speakers, and could be handed out at AALL conventions. Nora will also ask the chair of the Public Relations Committee to investigate arranging a NOCALL presence at the ALA and SLA conventions in San Francisco this summer. In order to make a new copy of the NOCALL logo, the master must be tracked down. Nora will make inquiries this afternoon whether anyone knows its whereabouts.

7. RECRUITMENT TO LAW LIBRARIANSHIP
Nora announced that at the Annual Meeting this summer, AALL is sponsoring an open forum on recruitment to law librarianship. The Association is looking for chapter members to participate in the forum (by coming prepared with suggestions, questions, and success and failure stories) and to become involved in overall recruitment issues.

8. INDEX
The Secretary passed out and explained the index to and the chronological list of Board resolutions and decisions. The Board then enthusiastically and unanimously took the following action:

A MOTION WAS PASSED directing the Secretary to send a formal letter thanking Jacob Koff and David Bridgman for their work in preparing these excellent and indispensable documents.

9. RATIFICATION OF VOICE VOTES
The following votes which were taken by voice or fax since the last Executive Board Meeting were presented for ratification:
(1) Vote to authorize a NOCALL exhibit at the 1992 State Bar annual meeting;
(2) Vote approving the final 1991/92 budget.

A MOTION WAS PASSED ratifying these two voice/fax votes.

Respectfully submitted,
Lee Ryan
1991/92 NOCALL Secretary

MINUTES OF THE WINTER BUSINESS MEETING

After an appetizing buffet lunch courtesy of Bancroft-Whitney, Nora Skrukrud, NOCALL President, called the meeting to order at 12:45 p.m.

1. WELCOME AND INTRODUCTIONS
   After introducing members of the Executive Board, Nora thanked Bancroft-Whitney and Kathy Sanguinetti for hosting the meeting and arranging the festive decorations and delicious meal.

2. ANNOUNCEMENTS
   Nora made the following announcements:
   A. Nora inquired whether anyone present knew the location of the master copy of the NOCALL logo.
   B. Thanks to David Bridgman and Jacob Koff, the index to Executive Board resolutions and decisions is now available. The index, which Nora characterized as "worth its weight in gold" in determining NOCALL practice and policy, can be obtained from any Board member.
   C. The Nominations Committee has presented candidates for the 1992/93 Executive Board. The candidates are as follows: for Vice President/President-Elect, Lauri Flynn and Sandra Sawyer; for Secretary, Marci Hoffman and Donna Hughes-Oldenberg; for Treasurer, Michael Jones and Saundra Kae Rubel. Nora also introduced those candidates who were present.

3. TREASURER'S REPORT
   Barbara Friedrich gave the Treasurer's report for the second quarter of the 1991/92 fiscal year. The opening balance for the quarter was $20,817.32. Income was $7,124.70 and expenses were $5,054.91. The closing balance was $22,887.11. The Treasurer noted that this report did not include receipts and disbursements of the 1991 Fall Workshops. Those will be reflected in the next report.

4. APPROVAL OF MINUTES OF SEPTEMBER BUSINESS MEETING
   A MOTION WAS CARRIED to approve the minutes of the September 12, 1991 business meeting.

5. LOCAL ARRANGEMENTS—1992 AALL ANNUAL MEETING
   Virginia Kelsh thanked all the members of the Local Arrangements Committee for their work to date. In proofreading the preliminary program information, she realized anew that a great deal has already been accomplished.
   Virginia passed on calls for volunteers in the following areas:
   A. Yvonne Boyer needs volunteers to staff the registration and hospitality desks.
   B. Gail Winsun is coordinating "Dutch treat" dinners following the opening reception. For each dinner, one or two local members would invite a group of visiting members to join in a Dutch treat meal at a favorite local restaurant. Gail is looking for volunteers to host such dinners.
Chapter News

Virginia announced a plan to contact Chapter presidents to coordinate shared rooms for those AALL members who otherwise might not have roommates, so that they can take advantage of the favorable room rates at the hotel. A meeting for all Local Arrangements committee chairs will be arranged soon.

6. RECRUITMENT TO LAW LIBRARIANSHIP
Nora announced that the AALL planning committee seeks to get local chapters involved in meeting the Associations goals concerning recruitment to law librarianship. As part of this effort, there will be a forum on recruitment on July 20th, at this year's annual meeting. AALL seeks local chapter members to participate in the forum. Any interest NOCALL members should call Nora.

7. SPEAKER FROM BANCROFT-WHITNEY
Mark Virga, editorial director for Bancroft-Whitney's new publication California Civil Practice, spoke on the history, organization and substance of, and plans for that set.

8. REPORT OF GOVERNMENT RELATIONS COMMITTEE
Susan Van Syckel, chair of the Government Relations Committee, introduced those members of the Committee who were present, and reported the following:
A. The Government Relations Committee currently consists of seven academic, county and law-firm librarians from San Francisco, the East Bay, and the Central Valley. The Committee's charge is to monitor for NOCALL legislation affecting law libraries in California and, if necessary, to recommend action. The Committee co-ordinates its efforts with the analogous committees of the California Library Association, the Special Libraries Association, and AALL. The Committee treats as relevant essentially the same issues as are identified in AALL's government relations policy (which can be found at page 610 of the 1991/92 AALL Directory and Handbook.)

B. So far, the NOCALL Government Relations Committee has addressed issues raised by the closure of the State Law Library and the taxation of periodicals. As to the closure of the State Law Library, the Committee is following legislation imposing a fee on courts to fund restoration of the Library. Susan reported that Senator Kopp has introduced a measure (SB 267) that exempts from sales tax periodicals obtained through subscription. As of today, this measure is working its way through the Senate. Susan urged individuals to support this bill.

C. The Government Relations Committee is also monitoring several pieces of Federal legislation, including S. 1044 (Glenn), which would revise federal information policy, and the WINDO measure (H.R. 2772 (Rowe)), which would make available without charge one pathway for access to federal on-line information.
D. Plans for the Government Relations Committee include: (1) establishing a network to disseminate quickly information about pending legislation; (2) creating a brochure on how to get information on pending legislation, how to track that legislation, and how to lobby and write letters to legislators; (3) monitoring the status of the State Law Library; (4) monitoring and supporting SB 267; (5) surveying the members of NOCALL to find out what they feel are important government relations issues and how those issues should be addressed.

Volunteers are needed for all of the above. Susan encouraged everyone to get involved. She noted especially that the Committee needs someone from the area north of Sacramento to be a contact for the planned network to get late-breaking news to members.

Nora thanked Susan for her report and added that, because the Government Relations Committee is a new committee, the Board is currently addressing the issue of how to make sure that the positions the Committee takes are the positions of NOCALL, and that NOCALL itself reflects the views of its members. Nora asked that all members follow government relations issues, and that they contact the Executive Board with any input on how the views of NOCALL and its members can be determined and represented.

STATE LEGISLATION/ISSUES

OAL Reviewing Publication of CCR: Repeals Section 190

After consultation with the California Attorney General, the State Office of Administrative Law has repealed section 190, Title 1 of the California Code of Regulations. That section named the version of the CCR published by Barclays Law Publishers as the official version. The change was filed with the Secretary of State's Office on March 25 (OAL File #92-0325-02N), and should appear in the California Regulatory Notice Register within three weeks (by the time you receive the Newsletter). Contained in the notice of change is the statement, "...the repealed section was void as a result of having been improperly adopted as a nonsubstantive change under the provisions of Cal. Code Regs., tit. 1, section 100." The bottom line is: the contract with Barclays is invalid.

Marz Garcia, Director of OAL, is currently meeting with both the State Printer and representatives of Barclays. While there has been no official statement from OAL, there are indications that the State Printer will resume publication of the CCR. Obviously, a number of issues must be resolved by OAL if/when Barclays discontinues publication of the CCR. Some of these issues may have been addressed by the time this newsletter reaches you. For an update contact OAL at (916) 323-6225 and ask for the Attorney of the Month. We will continue to monitor the situation.

Three Measures Now Address Sales Tax on Periodicals

SB 267 (Kopp) would exempt subscription periodicals from the Sales and Use Tax. Passed by the Senate on January 30, it will be considered by the Assembly Revenue and Taxation Committee today (March 30).
Committee News

AB 2364 (Farr), also referred to the Assembly Revenue and Taxation Committee, would exempt libraries from the sales tax for purchase of periodicals. (Libraries here as defined in section 18710 of the California Education Code.)

AB 2276 (Cortese), likewise referred to the Assembly Revenue and Taxation Committee, would (in part) exempt periodicals from the sales tax along with books for academic, public and school libraries.

Chandler Authors Bill to Provide Funding for the State Law Library

Introduced on February 21, and authored by Assembly member Chris Chandler, this measure would increase by $50 (from $200 to $250) the fee for filing a notice of appeal in a civil case appealed to a court of appeal, or a petition for a writ within the original civil jurisdiction of the court of appeal. The additional $50 would be appropriated to the State Department of Education for operation of the California State Law Library. The bill has not yet been assigned to committee.

California Library Association Legislative Day: MAY 6

On Wednesday, May 6, CLA will again provide library professionals and supporters with the opportunity to meet personally with California legislators to discuss library issues and pending legislation that could impact California libraries. The registration fee is minimal: $13 to $18 for mail-in registrations prior to April 22; $23 to $28 for on-site registration on May 6. A registration form is included in this newsletter. For more information, contact the CLA Office in Sacramento at (916) 447-8541.

The NOCALL Government Relations Committee will attend to represent NOCALL interests and we encourage NOCALL members to join us. The event is well worth attending and surely there is legislation worth promoting.

Bond Proposal Advances

SB 1230 (Keene), the California Library Construction and Renovation Bond Act of 1992, passed the Assembly Local Government Committee (with amendments) on March 11. It now goes to the Assembly Banking, Finance and Bonded Indebtedness Committee.

FEDERAL LEGISLATION

There have been no significant changes in the status of congressional bills monitored in this column. (Good thing! This has gone on long enough.) Don't forget the AALL GovLine at (312) 939-7774 for updates on federal legislation/issues important to law libraries.

PUBLIC RELATIONS COMMITTEE
Beverly A. Lipton, Chair

The NOCALL/SLA San Jose State University School of Library and Information Sciences Reception last month was a success. Many students interested in law librarianship attended, but there were only two law librarians. Plan ahead for the next reception to be held in the fall of 1992.

NOCALL and SCALL will be sponsoring a booth at the California State Bar Annual Meeting in San Francisco on October 2-5, 1992. We need volunteers to staff the booth, so please call Bev Lipton at (415) 496-2805 if you are interested.

SPRING INSTITUTE
Judy Janes, Chair

I heard many wonderful comments from both participants and exhibitors about the speakers at our 12th Annual NOCALL Institute on March 7 in Napa. The comments reflected how much each speaker held the audience’s attention and interest.

Professor Adrienne Davis, Assistant Professor at the University of San Francisco, asked us to consider whether or not having absolute rules, like "no touching allowed," wouldn’t be better than the reasonable woman standard, in the sexual harassment area.

Craig Manson, Esquire, of Downey, Brand, Seymour & Rohwer, laid out the ground rules and legislative history of the Americans with Disabilities Act, and pointed out some of the implications and definitions we need to be familiar with. Philip Wright, Esquire, of Kronick, Moskovitz, Tiedemann, and Gerard, reviewed much of the guiding legislation in the privacy areas, while warning of the pitfalls in practice.

The last session of the day provided a lively and energized panel discussion about legal reference and the unauthorized practice of law. Steve Elias, Esquire and Associate Publisher, Leslie Ann Sherren, Librarian at Murphy, Weir & Butler, and Judith Farrey, Paralegal and Jail Law Librarian of the Sacramento Sheriffs Department offered stimulating thoughts about how they view their roles as law librarians, and how they avoid the pitfalls of unauthorized practice. In all, it was a great day, and thanks again to Mary Ann Parker, Donna Hughes-Oldenburg, and Marilyn Earhart for their help as members of the Institute Committee.

UNION LIST COMMITTEE
Mary Staats and Jaye Lapachet, Chairs

Here are some changes to the directory portion of the union list:

Marlene Ma is the librarian at Greene, Radovsky, Maloney & Share
Mary Hays is now the Chief Assistant Librarian at the San Francisco Law Library at City Hall.

Robert Whitfield is now the Librarian at Tarkington, O'Connor & O'Neill.

Union List Additions

If you are thinking about adding your holdings to the Union List, now is the time to do so. The first step is to compile a list of serials which you are willing to lend and send it to:

Mary Staats
Farella, Braun & Martel
235 Montgomery Street, 19th Floor
San Francisco, CA. 94104

The list should be typewritten and include the information for the directory listing.

Everyone is welcome to add their holdings. We are especially interested in libraries located in Sacramento, the East Bay, Solano County, Fresno and Sonoma County. Holdings must be received by Mary no later than May 1. Any holdings received after May 1 will be held for next year's 9th edition.

Union List Sales

Sales of the current edition of the Union List (7th edition) have been brisk. To date the Committee has sold and delivered 115 copies. Please help spread the word to other libraries that the current edition is available.

Union List Exchange

We plan to exchange union lists with other chapters that produce one. Please contact Todd Bennett at (415) 955-3659 if you know of other chapters that have a union list committee.

U.C. BERKELEY PROPOSES VISION STATEMENT

The School of Library and Information Studies of the University of California, Berkeley, has produced a Vision Statement to guide its future development in response to the campus-level review of the School. Among the recommendations is a change of name to the School of Information Studies, and development of an information systems track in the Masters' program to supplement a strengthened library-oriented MLIS.

The Vision Statement will be reviewed by the campus during Spring semester, with full implementation beginning as soon as possible thereafter.

The Vision Statement defines the School's mission as "to improve our understanding of information organization, storage, retrieval, and use; to design effective information systems; and to educate information professionals to provide leadership in a complex and rapidly-changing information world."

"The information environment is changing, libraries are changing, and the School must address the future of the information field, in which librarians' skills and understanding will play a broadened role," explained Acting Dean Nancy Van House. "The change of name does not represent a change in focus, but rather an acknowledgement that our primary interest is in information and the variety of institutions through which it is delivered, most particularly libraries."

Other specific recommendations are the following:

Continue to expand the doctoral program to include a variety of information systems in addition to libraries and bibliographic systems, and increase the number of doctoral students.
Develop an undergraduate minor, and eventually major, in Information Studies, focussing on the role and control of information in society.
Increase the School’s cooperation with other campus units in teaching and research. Concentrate research in two areas of strength:
- Information retrieval system theory and design;
- Behavioral studies of information.
Recruit new faculty appropriate to the School’s mission.

A summary of the plan is available from the School of Library and Information Studies, University of California, Berkeley, CA 94720. For more information, call Nancy Van House, Acting Dean, at (510) 642-9980.

CORRECTION

The article in last month’s NOCALL NEWS titles TITLE 24 WHERE ARE YOU? contained a number of errors due solely to the editor’s proofreading skills (or lack thereof). The first sentences of the second paragraph should read:

Do not get complacent because you kept the 1986 version of Title 24 published by the state. It has been superseded by the 1988 edition and the 1989 Amendments. My apologies to Randy Wilson for the errors.

SALARY SURVEYS COMPARED

The March 1992 issue of Law Office Management and Administration Report contains a comment on an article quoting the Institute of Continuing Legal Education’s December 1991 survey of staff salaries. In it, AALL Vice-President/President Elect Mark Estes compares the reported salaries in their survey to the PLL 1991 salary compilation. The differences in the two are significant. For example, the LOMAR data peg the median salary of Pacific librarians in private firms at $26,000. The PLL survey shows their median at $46,900. Mark goes on to say he feared that, "for some reporting firms, 'head librarian' was used for the secretary or receptionist who happens to be closest to the book collection and is responsible for filing the updates." He explained the qualifications of the librarians as found in the PLL survey, (head librarians typically manage the entire library, have one or more advanced degrees, and average ten years of experience) and gave information on obtaining the entire survey.

SACRAMENTO AREA LIBRARIANS LEARN ABOUT STATE ARCHIVES RELOCATION

Mary Ann Parker, reporting

The Sacramento Area Law Librarians met for a brown bag lunch on March 30, 1992 at the State Library, Room 500. The guest speaker was Nancy Zimmelman, Archivist II, who spoke on the relocation of the California State Archives collection to make way for construction of a new Secretary of State, Archives building on the present site.
Program/Product News

The Archives collection’s temporary location will be 201 N. Sunrise Blvd. in Roseville. The Archives staff abandoned attempts to relocate within the Sacramento downtown area because of the weight per square foot of the archive materials and the necessity to store materials above the floodplain area.

The move is tentatively scheduled for the second week in April, with the most commonly used items like legislative records moved last. The Archives staff hopes that the legislative materials will be moved over a weekend and be ready for researchers’ use by the following Monday. The move should be completed by May 1.

The new Secretary of State/Archives building will house all the Secretary of State offices, increase the capacity of the Archives research area from 20 to 90 people and provide much better display facilities for the Archives collection. Construction should be completed in 1995.

Nancy will send all the librarians in the group copies of the Archives’ New Building Update, a monthly flyer which will contain information about the Roseville location and progress on the new building.

Thanks go to Sharon Akey of the Library at the Department of Health Services, Toxics Division, for organizing the meeting.

ALAMEDA COUNTY LAW LIBRARY BEGINS BRIEFBANK

The Alameda County Law Library (ACLL) has recently signed a Data Services Agreement with Coastside Computer Professionals, Inc. (CCP) in Fremont, California, to scan hard copies of all briefs filed with the California Supreme Court and Appellate Court. The scanned information will be converted through optical character recognition (OCR) software to character-based ASCII format. The ASCII briefs are checked for spelling and punctuation errors by an editing team. The resulting "clean" briefs are analyzed by law clerks and then uploaded to the database called BriefBank. This revolutionized legal research process will provide online indexed access to court briefs from the California State Supreme Court and Appellate Court from the researcher's own office. At this time, no Computer Assisted Legal Research (CALR) services provide computer access to court briefs.

Fifteen years ago, the Law Library streamlined the brief management procedure and began indexing the briefs by citation order. Since 1982, the Bay Microfilm Company in Palo Alto has been using the ACLL collection as its source for filming the microfiche edition. Thanks to the advanced technology, the attorneys, legal scholars, law librarians and paralegals will soon be able to access the brief information online. The ACLL and CCP project will be the first in the nation to bring the court briefs online and to make BriefBank integral to computerized legal research.

BriefBank is menu driven and can be dialed from anywhere in the United States through a computer and modem. The Company plans to use a telecommunications firm, such as Tymnet, for customer access to the BriefBank service. The search point for brief information stored in the BriefBank's database can be any combination of attorney or law firm names, plaintiff or defendant names, case citations and/or docket numbers. In addition,
**Program/Product News**

it maybe searched by keyword and wildcard searches. BriefBank also provides law firms with a system administrator function. This feature enables the law firm to control access to BriefBank by its staff. Users can be added or deleted at the discretion of the firm's system administrator.

The Company plans to charge a one-time sign-up fee per firm regardless of the number of potential BriefBank users in the firm. Researchers will be charged an hourly rate for BriefBank usage. Copies of briefs downloaded by a researcher will be billed on a per line basis. The Company does not anticipate charging a monthly service fee.

The ACLL will have a special BriefBank account up to 25 hours each month at the rate of $10 per hour. This account is for the use by the library staff and attorneys from the court, the public defender, the district attorney and the county counsel. Usage in excess of 25 hours will be billed to ACLL at a 25% discount of the standard BriefBank hourly rate of $110. Downloading of briefs to the workstation will be free for this account.

CCP also agrees to establish separate accounts for use by nonA CLL legal researchers who want to access BriefBank from ACLL ("commercial account"). ACLL will be given a 25% credit from the current BriefBank rate for all hours billed to these accounts. CCP will also provide free training seminar on-site for ACLL staff and other users.

**A CLL WELCOMES NEW LIBRARIAN**

Sean LaRogue-Doherty joined the staff of the Alameda County Law Library in March, 1992. Sean filled the position of Reference Librarian which was created by Bob Podlech's promotion to the position of Public Services Librarian in November of last year. Sean is no stranger to the Alameda County Law Library; he previously worked for us as Reference Assistant Coordinator during 1988-89. Upon his graduation from the University of California at Berkeley (Boalt Hall) with dual degrees in Law (J.D.) and Information Studies (M.A.), he went on to spend a year at the University of Illinois in Chicago as Resident Librarian and another year as Reference Librarian at Northwestern University Law Library. I have no doubt that Sean's experience from academic law libraries will enhance our reference service to the legal community.

In addition to his responsibilities in reference, computer-assisted legal research and collection development, Sean will be coordinating the library's automation projects and telecommunication needs; evaluating and recommending computer-related office and reference products, and providing training for staff and patrons on library hardware and software applications.
