## **Directions and Parking Information**

Ok this is gonna sound tricky, because there's a U-turn in here but it really is not difficult:

Hwy 80 East; take the Jefferson Blvd /Downtown Sacramento Exit; stay in the left lane; this takes you over the freeway and the newly gold painted Tower Bridge; after crossing the bridge again stay in the left lane and drive 5 blocks to 5th Street and make a U-turn; then

drive back toward the bridge; get in the right lane; exit right on the street just before the bridge – Neasham Circle – there is a brick building immediately on the right. Park there! Bring the ticket with you to the restaurant, Rio City validates for 2 hours. When you exit the parking structure you are on Front Street and the restaurant is \* block away. Also there is handicapped and 90-minute metered street parking on Front Street.
