Lise Pearlman is the author of *The Sky's The Limit - People v. Newton: The REAL Trial of the 20th Century?*, a new book that compares the highly publicized trial of Black Panther leader Huey Newton to other historic legal battles. Each "trial of the century" serves as a window into its own era - should the Newton murder trial rank number one? Come hear Lise's argument and why the jury's surprising verdict still reverberates today.
